

## Tierra Derco Acquires Stone Age Creations

The Lawn & Garden Performance Group LLC is pleased to announce *Tierra-Derco International, LLC has acquired the assets of Stone Age Creations, LTD. TDI is a forerunner in supplying innovative products to the garden center industry. This acquisition strengthens TDI's market position and will enhance the company's future growth opportunities. Stone Age Creations is located in New London, Ohio, and has a well-established business with impressive growth since its startup in 2002. Stone Age Creations offers hand-carved, natural stone statuary and will continue to operate from its New London, OH facility.*

**The Lawn & Garden Performance Group LLC acted as the exclusive advisor to Stone Age Creations LTD and provided a full range of services, including identifying potential partners, conducting a competitive marketing process, and helping negotiate and close the transaction.**
